## **Monthly \$45 Ride-Anytime Pass**

This Pass is designed for frequent riders of the Dutchess County LOOP Bus System. The Monthly Ride Anytime Pass is valid on all buses and at all times during the calendar month of issue. An easy way to determine if this is the right Pass for you is to count the number of times you normally ride the LOOP bus in any calendar month. If you ride more than 60 times during the month then this is the Pass for you. Remember, every time you change buses counts as 1 ride.

## **Monthly \$30 Commuter Pass**

This Pass is designed for those individuals that commute back and forth during normal commuter hours. The Pass is valid from 4am through 9am and again 3pm and 7pm Monday through Friday. This pass is also good on all buses in the LOOP bus system during the restricted days and hours.

## **Single Trip One-Way Fare**

The Single Trip One-Way One-Zone fare is \$0.75 per bus. Individual \$0.75 tickets can be purchased and these tickets are valid on all LOOP buses at anytime. EXCEPTION. Certain LOOP buses travel to extended areas of the County and therefore, may have more than one zone resulting in an additional \$0.75 charge per zone. These additional fare charges are noted on the schedule for those particular LOOP routes.

## **Other Fares**

Senior Citizen, Medicare Card Holders, Handicapped Patrons, and Children between the ages of 5 and under the age of 12 pay \$0.35 per single trip one-way one-zone ride. \$0.35 zones charges are additional where applicable.

## **Student Fare**

Any student with a current valid school photo identification can receive a \$0.25 reduction off the regular \$0.75 fare. This fare reduction is valid at all times and on all buses in the LOOP bus system. The \$0.25 reduction cannot be used in conjunction with any other fare reduction.

**Paratransit Service**

Pursuant to the Americans with Disabilities Act, the Dutchess County LOOP Bus System provides curb-to-curb wheelchair lift equipped bus service for individuals whose disability prohibits the use of the fixed route system. To apply for ADA Paratransit service or to obtain more information call (845) 48 54690.

**Fixed Route ADA Deviated Service**

Wheel chair lift equipped bus service is available for those individuals that live within 3/4 of a mile from the normal route of the LOOP's fixed route service. To apply for ADA Fixed Route Eligibility or to obtain more information call (845) 48 5 -4690.

**Ticket and Pass Purchasing Locations**

Tickets and Passes may be purchased either at the LOOP bus facility or through the U. S. mail. We accept cash, check or money orders only. Sorry, but we do not accept credit cards or debit cards. The address of the LOOP bus facility is:
